

**NOTICE OF PUBLIC HEARING
REGARDING TOWN OF ELLICOTT
INTRODUCTORY LOCAL LAW #2-2020**

NOTICE IS HEREBY GIVEN that there has been presented to the Town Council of the Town of Ellicott, New York, Introductory Local Law Number Two (2) for the year 2020. The Town Council of the Town of Ellicott hereby finds that the existing laws which apply to right-of-way, street and driveway openings are inadequate and do not vest the Superintendent of Highways with sufficient authority to ensure that work is done in a proper manner. The Town Council therefore finds it is necessary to adopt this article in order to establish general standards governing the issuance of permits for sidewalk, right-of-way, street and driveway openings as provided in New York State Town Law Section 130(7).

This Local Law establishes a permitting procedure for construction or excavation on a Town of Ellicott street, sidewalk, or right-of-way. The law also sets forth regulations that apply to the afore described work along with provisions for enforcement and penalties for violations of this law. A full text of the proposed law is available for review in the Town Clerk's Office.

THEREFORE, pursuant to statute, the Town Council of the Town of Ellicott will hold a **Public Hearing** on Introductory Local Law #2-2020 at the Administration Building, 215 South Work Street, Falconer, New York at 6:00 PM on Monday, October 19, 2020 at which time all persons interested will be heard. A copy of the proposed local law is filed in the office of the Town Clerk at the Administration Building where it is available for review by any interested person during regular office hours. It may also be viewed on the town's website: www.townofellicott.com.

Dated: October 8, 2020
